MADANI PEARLS

FROM SHURA

Excellence in Salāt-Alan-Nabī ﷺ

Ameer-e-Ahl-e-Sunnat, the founder of Dawat-e-Islami, 'Allamah Maulana Abu Bilal Muhammad Ilyas 'Attar Qadiri دامنه بركاته العالیه in his booklet 'The Lying Thief' has written: 'Abdullah Bin Salam رحمه الله تعالى عليه went to meet his brother 'Usman رحمه الله تعالى عليه who was looking very happy and said, 'Last night I saw the Beloved Prophet صلى الله تعالى عليه وآله وسلم in my dream. The Beloved Prophet صلى الله تعالى عليه وآله وسلم gave me a bucket containing water. I drank plenty of water and can still feel the coolness of that water.' 'Abdullah Bin Salam رحمه الله تعالى عليه asked, 'How did you get this status?' His brother answered, 'By virtue of reciting Salāt-Alan-Nabī abundantly upon the Beloved Prophet صلى الله تعالى عليه وآله وسلم. (Sa'adat-ud-Darayn, pp. 149)

Madanī Mashwarah

Markazī Majlis-e-Shūrā

Faizān-e-Madīnah Bāb-ul-Madīnah (Karachi)

24 to 26 Rabi'-ul-Awwal, 1436 AH (16 to 18 January, 2015)

Do not devolve responsibility to incompetent person:

Think deeply before you give someone responsibility, whether he is competent or not. To devolve responsibility deliberately to an incompetent person comes under the category of perfidiousness. Such people should have fear. The Beloved and Blessed Prophet صلى الله تعالى عليه وآله وسلم has said, 'On the Day of Judgement a flag will be planted for every perfidious person by which he will be recognized.' (Jam'-ul-Jawami', vol. 9, pp. 306, Hadis 28913)

In another Hadis, the most Revered and Renowned Prophet صلى الله تعالى عليه وآله وسلم has said, 'The one who has no Amanat (entrustment) has no faith; one who has no cleanliness has no Salah, and one who has no Salah has no religion because Salah has the same status in religion as the head has in the body.' (Al-Mu'jam-ul-Awsat, vol. 1, pp. 626, Hadis 2292)

Sayyiduna 'Abdullah Bin Mas'ood رضى الله تعالى عنه has said: To die in the path of Allah Almighty عَزَّوَجَلَّ removes all the sins except [the sin of] Amanat. (He رضى الله تعالى عنه then said) a man will be brought on the Day of Judgement

who was killed in the path of Allah ﷺ and he will be asked, 'Return your (Amanat) deposit.' He will humbly say, 'O my Rab ﷺ! How can I return? The world no longer exists.' Then angels will be asked to take him to Hāwiyah. They will take him towards Hāwiyah and his deposit will be brought in the form in which it existed that day when it was given to him. He will recognize it forthwith and will go after it (until he) gets it and lifts it on his shoulder. When he is sure that he has come out, it will fall down from his shoulder and he will go keep going after it for ever. He رَضِيَ اللَّهُ تَعَالَى عَنْهُ then said, 'Salah is an Amanat (entrustment); Wudu is too; weight and measure are also entrustment. He رَضِيَ اللَّهُ تَعَالَى عَنْهُ counted other things as well; the most important among them is **Wadi'at** [Amanat] (entrustment).

Sayyiduna Zāzān رَضِيَ اللَّهُ تَعَالَى عَنْهُ has said that he went to Sayyiduna Bara' Bin 'Azib رَضِيَ اللَّهُ تَعَالَى عَنْهُ and humbly said to him, 'Do you not know that (Sayyiduna) 'Abdullah Bin Mas'ood رَضِيَ اللَّهُ تَعَالَى عَنْهُ has said such and such.' So he رَضِيَ اللَّهُ تَعَالَى عَنْهُ said that (Sayyiduna) 'Abdullah Bin Mas'ood رَضِيَ اللَّهُ تَعَالَى عَنْهُ has said rightly; have you not heard that Allah Almighty ﷺ has said:

إِنَّ اللَّهَ يَأْمُرُكُمْ أَنْ تُؤَدُّوا الْأَمَانَاتِ إِلَىٰ أَهْلِهَا

Indeed Allah commands you to hand over whatever you hold in trust, to their owners.

[Kanz-ul-Iman (Translation of Quran)] (Part 5, Surah An-Nisa, verse 58)

(Shu'ab-ul-Iman, vol. 4, pp. 323, Hadis 5266)

Regarding the foregoing verse Hakim-ul-Ummat, Mufti Ahmad Yar Khan عَلَيْهِ رَحْمَةُ اللَّهِ الْحَقَّان has said, 'O the whole Muslims! Allah ﷺ commands you to hand over every type of entrustments such as financial, pertaining to life, spiritual, faith-related, confidential, and honesty to their deserving people or owners or those who are worthy of them.'

(Tafsir Na'eemi, vol. 5, pp.1 59 – Maktabah Islamiyyah)

Guarantee of Paradise

The Beloved and Blessed Prophet صَلَّى اللَّهُ تَعَالَى عَلَيْهِ وَآلِهِ وَسَلَّمَ has said: You guarantee me for six things I will guarantee you for Heaven:

1. When you speak, speak the truth.
 2. When you make a promise, fulfill the promise.
 3. When you are made Ameen, return/pay the Amanat (deposit).
 4. Protect your private parts.
 5. Keep your eyes lowered.
 6. Control your hands. *(Musnad Imam Ahmad Bin Hanbal, vol. 8, pp. 412, Hadis 22821)*
- ❖ Responsibility should be given according to eligibility.
 - ❖ If Nigrān-e-'Alaqah and Shaher Mushawarat are according to the criterion (i.e. Madani Qafilah and Madani In'amat etc.) set by Ameer-e-Ahl-e-Sunnat وَاصْفَ بَرَكَاتُهُمُ الْعَالِيَةِ, then by the Mercy of Allah ﷺ no one can stop the progress of Dawat-e-Islami over there.

- ❖ Prior to changing any Zimmahdar, he should be taken into confidence as per need so that satan cannot create any kind of chaos.

Basic piety

- ❖ Basic piety implies that one should avoid Harām and impermissible act. If someone cannot even do this, then how can he be pious? We should protect ourselves from every kind of sin.

‘Allamah Muhaddis Ibn Jauzi رَحْمَةُ اللهِ تَعَالَى عَلَيْهِ has said: Though sin is only one, it has ten bad qualities:

1. When a person commits a sin, he angers Allah عَزَّوَجَلَّ and Allah عَزَّوَجَلَّ has power to do it.
2. One (who commits sins), pleases Iblees Mal’oon.
3. Gets away from Paradise.
4. Gets closer to Hell
5. Causes pain to his most loving thing i.e. his life.
6. He makes his Bātin impure though it is pure.
7. Hurts angels who write down deeds i.e. Kiraman Katibeen.
8. He grieves the Beloved Prophet صَلَّى اللهُ تَعَالَى عَلَيْهِ وَآلِهِ وَسَلَّمَ in his blessed mausoleum (Rauzah).
9. Makes earth and sky and the whole creature witness of his disobedience.
10. He acts perfidiously with all human beings and disobeys Allah عَزَّوَجَلَّ.

(Bahr-ud-Dumu’, pp. 30)

Allah Almighty عَزَّوَجَلَّ intends to do good

The Greatest and Holiest Prophet صَلَّى اللهُ تَعَالَى عَلَيْهِ وَآلِهِ وَسَلَّمَ has said: مَنْ يُرِدِ اللهُ بِهِ خَيْرًا يُفَقِّهْهُ فِي الدِّينِ i.e. Allah عَزَّوَجَلَّ bestows the understanding of religion upon the one who Allah عَزَّوَجَلَّ intends to do good. (Sahih Bukhari, vol. 1, pp. 42, Hadis 71) That person’s faith will remain safe who is made to do good.

Sayyidatuna ‘Aishah Siddiqah رَضِيَ اللهُ تَعَالَى عَنْهَا has narrated that when Allah عَزَّوَجَلَّ intends someone to do good. He عَزَّوَجَلَّ appoints an angel one year before his death who takes him to the right path till he dies while performing a good act and people say: So-and-so person died while performing a good act. When such a fortunate and righteous person is about to die, his soul tries to leave his body quickly. That time he likes to meet Allah Almighty عَزَّوَجَلَّ and Allah Almighty عَزَّوَجَلَّ likes his meeting too.

(Musnad Ibn-e-Rahawayh, vol. 3, pp. 503)

Planning of Waqf Amlāk (possessions, goods) and vice Mutawalli

Gain knowledge of necessary rulings

- ❖ It is Fard for everyone to know the Shar’i rulings about what he is doing.

(Fatawa Razawiyyah, vol. 23, pp. 647, 648)

- ❖ Kābinah to Shura in particular and all the Zimmahdaran of Dawat-e-Islami in general should learn the necessary rulings of Waqf, employment and donation because (almost) all the Zimmahdaran have to come into contact with them.

Necessary rulings about donation

- ❖ It is also compulsory for the one collecting donation to learn its necessary rulings.

(Questions and answers about donation, pp. 24)

- ❖ Saying of Ameer-e-Ahl-e-Sunnat **دَامَتْ بَرَكَاتُهُمُ الْعَالِيَةِ**: I request every Zimmahdar Islamic brother to guide the Islamic brother who is permitted to collect donation or sacrificial animal skins about Shar'i rulings. *(ibid, pp. 24)*
- ❖ Sometimes the amount of several people which they pay for Zakah, Fitrah is spent in Ghayr-e-Masraf without making any Heelah such as on the construction of Masjid and Madrasah and the salaries of Imam, Mu`azzin and teachers, so if the real owners or their legal advisers are not found by any means or they have passed away and it is not possible to have access to the heirs, so in this case if he remembers the amount, he should distribute this amount of money among Fuqara (the poor) as charity and should repent & ask for mercy from
- ❖ Allah Almighty **عَزَّوَجَلَّ** abundantly. In this way it is hoped that Allah **عَزَّوَجَلَّ** may have mercy on him and he may be forgiven. Furthermore, if he does not remember the exact amount of money spent in Ghayr-e-Masraf and there is no way of getting correct information from any source then in such a case he should form an idea by guessing as to how much money he spent. Then the amount of money he thinks is correct should be distributed among the poor after adding some more money as a precaution to that money. *(ibid, pp. 38)*
- ❖ If someone has mixed the money of Madrasah with his own money in such a way that the notes which look same are mixed together with the aim to spend it on Madrasah whenever it is needed, he will be a sinner. Because the money collected in donation if mixed with personal money in a way that makes it impossible to recognise the notes, is not permissible. Answering to a question A'la Hadrat **رَحْمَةُ اللهِ تَعَالَى عَلَيْهِ** has said: A donation-collecting person has mixed the coins with his money in such a way that it becomes impossible to separate or distinguish them. Now the money that the donor has given will be lost and the donation-collection person will have to compensate. Because to mix someone else money in your own money is to ruin him and the one who ruins someone is like an usurper and usurpation leads to compensation. *(Fatawa Razawiyyah, vol. 23, pp. 554)*
- ❖ To use the deposit of anyone, whether it is related to Masjid or not even considering it a loan is Harām and falls in the category of breach of trust. It is Fard to repent & ask for mercy but compensation is mandatory. If the same amount of money is returned, there will be no compensation, but the sin will not be forgiven unless he repents of it. *(Fatawa Razawiyyah, vol. 16, pp. 489)*
- ❖ It is compulsory to return the donation which is left after the work has been completed to their donors with receipts or it can be spent on that work for which they now permit you to do so. It is Harām to spend money without their permission. However, if it is difficult to find them, then the money should be spent in similar type of work for which donation was collected. For instance, the donation was given for the construction of a Masjid, the Masjid has been constructed, so the remaining amount should also be spent on the construction of any other Masjid. It should not be spent on any work such as construction of

Madrasah and any other similar type of work. If similar type of work is not found, then the remaining amount should be distributed among the poor (Fuqara). (*Fatawa Razawiyyah, vol. 16, pp. 206*)

- ❖ Please study Ameer-e-Ahl-e-Sunnat's **دَامَتْ بَرَكَاتُهُمُ الْعَالِيَةِ** book named 'Questions and Answers about Donation' for further information.
- ❖ Appoint a vice Mutawalli at every Waqf Amlāk with the consultation of concerned Rukn-e-Shura/ Nigrān-e-Kābināt and with the permission of Majlis Waqf Amlāk.
- ❖ Muslims have no authority to make changes in Waqf. We can use out of those things that we own. Waqf is the possession of Allah **عَزَّوَجَلَّ** without His permission no one can use it. (*Fatawa Razawiyyah, vol. 16, pp. 232*)
- ❖ Mutawalli is not allowed to give anyone loan from the money of Waqf or use it as a loan. (*Fatawa Razawiyyah, vol. 16, pp. 574*)
- ❖ It is Wājib to renovate Masjid. In the process of renovating a Masjid leaking roofs can be repaired. For this purpose if the current donated amount of money is not sufficient, then donation can be collected. Furthermore, if a new extension is necessary for the Masjid by laying the modern foundation for the Masjid after including the area of north and west with the concerned Masjid and destroying the original foundation, then it should be done, otherwise unnecessary extension of the Masjid should not be done and the burden of donation should not be increased on Muslims. It is stated in Fatah Al-Qadeer: No doubt, we have been commanded not to make any changes in Waqf. (*Fatawa Razawiyyah, vol. 16, pp. 496*)
- ❖ The sense of protecting the possessions (Amlāk) of Waqf makes a person old.
- ❖ Explaining the importance of Waqf possessions/goods A'la Hadrat **رَحْمَةُ اللهِ تَعَالَى عَلَيْهِ** said: The one who is dishonest in the matters of Waqf will be dismissed. (*Fatawa Razawiyyah, vol. 16, pp. 162*)
- ❖ Mutawalli should be the one who is honest and well-aware of Waqf duties, whether he performs them himself or asks his subordinate to perform them. After becoming Mutawalli, he should be wise and mature. One who has been trusted if become transgressor should be dismissed. (*Rad-dul-Muhtar, vol. 6, pp. 584*)
- ❖ A question was asked from A'la Hadrat **رَحْمَةُ اللهِ تَعَالَى عَلَيْهِ**: Can a person who at least take precaution for the sake of religious services be an official/manager/or competent? So A'la Hadrat **رَحْمَةُ اللهِ تَعَالَى عَلَيْهِ** said: Sunnī, knowledgeable, pious, honest, smart, hard-working. (*Fatawa Razawiyyah, vol. 16, pp. 599, 600*)

Keep in touch

1. The burden and sense of asking questions removes worldly pleasures.
2. Zimardaran should make it compulsory for themselves to reply on time to phone, email and WhatsApp.
3. The most important organizational responsibility of a Zimmahdar is to be in contact.
4. They should reply forthwith for urgent problems and for general problems within maximum 12 hours.

Check your schedule

5. Arakeen-e-Shura should check themselves the schedule (in advance & progress) of Pakistan level Zimmahdaran of Shu'ba-Jāt and Nigrān-e-Kābināt. Similarly, Nigrān-e-Kābināt should check the schedule of Kābināt level Zimmahdaran and all the Nigrān-e-Kābinah and Pakistan level Zimmahdaran of Majalis should check the schedule of Pakistan level Majlis every month.

Madani Pearls for those who come to Global Madani Markaz, Faizan-e-Madinah, Bab-ul-Madinah (Karachi)

Fortunate Islamic brothers of the country and overseas who come to Faizan-e-Madinah for Madani Muzakarahs or Tarbiyyati Ijtimā'at on the 12th of Rabi-ul-Awwal, 11th Rabi-ul-Akhir, in Ramadan I'tikaf (whole month/last 10 days) or on any other occasion for three days or for more than three days if try to act upon the following Madani pearls with good intentions, **إِنْ شَاءَ اللَّهُ عَزَّوَجَلَّ** they will get lots of blessings:

6. The purpose of this travel is not to demonstrate people's power and to gather a large number of people is not the proof of success. The real success is when we get the pleasure of Allah **عَزَّوَجَلَّ**. Would that Madani Qafilahs could travel and every Islamic brother by virtue of your individual effort and deep affection could travel regularly with Madani Qafilahs and observe Fikr-e-Madinah with sincerity! If we are in contact with them for the sake of Allah **عَزَّوَجَلَّ** on their return, a Madani revolution can be brought in their life.
7. Every Islamic brother should be in Sunnah-inspiring white dress and wear 'Imamah. In this way, **إِنْ شَاءَ اللَّهُ عَزَّوَجَلَّ** everywhere you will see greenery.
8. Every Islamic brother should have necessary things like medicines, sufficient amount of money and Madani In'amat luggage. He must avoid begging.
9. The way the list of Islamic scholars and Mashaikh, Aimmah-e-Masajid, VIPs and other Islamic brothers is prepared so that they can be invited to Global Madani Markaz, similarly, acting upon the Madani In'am 55 make contact with the Islamic brothers of your Halqah or area who by any reason have got away from the Madani environment and their list should also be made by Majlis Izdiyyad-e-Hubb. This Majlis should be strengthened and they should be taken with the consult of your Nigrān. By this effort, Madani work in your area will flourish by leaps and bounds **إِنْ شَاءَ اللَّهُ عَزَّوَجَلَّ**.
10. Gather at the fixed time at Faizan-e-Madinah/Masjid of weekly Ijtimā' or the central Masjid of your area in order to set out from your city.
11. Prior to departure all the Islamic brothers should perform Wudu and if it is not the Makruh time, then they should offer Nawafil with the intention of Tahiyya-tul-Wudu and Tahiyya-tul-Masjid.
12. Nigrān-e-Kābinah or Nigrān of Division Mushawarat should appoint a capable Islamic brother (having great knowledge and practicing, good-mannered and soft spoken) leader of the bus or bogie of train.
13. Nigrān Islamic brothers as far as possible should appoint a Zimmahdar on 12 Islamic brothers.
14. They should make a new Islamic brother and an old Islamic brother companion. After making them companion their mind should be made that they will remain together all the time.
15. Zimmahdar Islamic brother should take care of his companions in every matter. For instance, he should cooperate with them in matters like Salah, Wudu, eating meals, sleeping, etc. He should serve his companions in such a way that all of them could make up their mind to travel regularly with Madani Qafilahs and start filling in boxes given in the booklet of Madani In'amat by observing Fikr-e-Madinah daily and submit them as well. Then a Zimmahdar Islamic brother should make them have good intentions by telling them the blessings of this travel and stressing its importance and he should also make up their Madani mind-set to act upon Madani In'amat.
16. Usually Islamic brothers become peevish during a travel, therefore Ameer-e-Qafilah should make up the travellers' mind that even in the state of being angry they should remain tolerant and forgive each other during the travel because due to being angry sometimes one may hurt the feelings of others.

Furthermore, without Shar'i permission to hurt the feelings of a Muslim is a grave sin, Harām and an act leading to Hell.

17. Ameer-e-Qafilah should also advise the attendees to meet the new Islamic brothers with smiling face and make individual efforts upon them during the travel. Ameer-e-Ahl-e-Sunnat دَامَتْ بَرَكَاتُهُمُ الْعَالِيَهُ has said: To say Salam first is the first step of individual effort and to meet warmly and speak smilingly is its soul.
18. Present new Islamic brothers a booklet of 72-Madani In'amat as a gift if possible. They should also be mentioned the method of observing Fikr-e-Madinah and its significance.
19. If teaching and learning Sunnah, making Islamic brothers memorize Du'as, doing Zikr of Allah عَزَّوَجَلَّ, reciting Na'at or making individual efforts continue during the journey, then the journey will be pleasant / amazing and enjoyable by the mercy of Allah اِنْ شَاءَ اللّٰهُ عَزَّوَجَلَّ . عَزَّوَجَلَّ
20. Remember! Our individual effort or recitation of Na'at, etc. should not create any trouble to the passengers.
21. If there is a delay in the departure of a vehicle, then the Zimmahdar Islamic brother should give Dars from Faizan-e-Sunnat or from any booklet of Ameer-e-Ahl-e-Sunnat دَامَتْ بَرَكَاتُهُمُ الْعَالِيَهُ.
22. Offer all the Salah with thorough preparations during the travel (If Zimmahdar Islamic brothers are Shar'i travellers, then those who are capable of making people understand can deliver Dars from the booklet of Ameer-e-Ahl-e-Sunnat named 'Traveller's Salah'.
23. If booklets are distributed during travel, it is excellent.
24. If a program of listening or watching Madani Muzakarabs/speeches of Ameer-e-Ahl-e-Sunnat دَامَتْ بَرَكَاتُهُمُ الْعَالِيَهُ or speeches of Nigrān-e-Shura is made, it is excellent.
25. Ameer-e-Qafilah should get registered the number of those who are coming and duration of their stay along with the information obtained from either Madani Tarbiyyat Gah or reception when they arrive at Global Madani Markaz Faizan-e-Madinah Bab-ul-Madinah (Karachi).
26. After the Qafilah reach Global Madani Markaz Faizan-e-Madinah Bab-ul-Madinah (Karachi), Ameer-e-Qafilah should make up the mind of the travellers that we have to offer all the Salah with Jama'at staying all the time in Global Madani Markaz; we have to listen to the speeches of all the preachers; we have to attend all the Tarbiyyati Halqahs (learning sessions); we have to attend Madani Muzakarabs from beginning to end with a pen and a diary, noting down important Madani pearls.
27. Ameer-e-Qafilah should make up the attendees' mind to avoid excessive use of mobile phones.
28. Ameer-e-Qafilah should also make up attendees' mind that if any relatives contact them, then instead of going to them call them at Global Madani Markaz and invite them to listen to either a speech or Madani Muzakarab. (If there is a special Tarbiyyati Ijtima' or Madani Mashwarah of Tanzeemi Zimmahdaran, then they should not be persuaded to attend it.)
29. Continue to mention Sunnahs and manners from Ameer-e-Ahl-e-Sunnat's booklet named 'Islamic Manner of Eating' during eating meals.
30. Upon their return, the Islamic brothers are very enthusiastic. This is a very good opportunity for Zimmahdaran to make lots of individual efforts upon them, therefore, attendees should be persuaded that we as per our objective have to make up every Islamic brother's mind that we have to act upon Madani In'amat for our own reform and for the reform of the entire world we have to travel with Madani Qafilahs.

31. Every Islamic brother should make this intention that I will persuade at least one Islamic brother to travel with Qafilah by making individual effort upon him every month; I will also present a booklet of Madani In'amat to at least one Islamic brother and will also submit it every month, **إِنْ شَاءَ اللَّهُ عَزَّوَجَلَّ**.
32. If upon their return, Islamic brothers are not engaged in Madani activities, then perhaps all the efforts will be in vain, therefore make up every Islamic brother's mind that acting upon Madani In'am # 12, we have to either listen to or give at least two Dars; we have to either teach or learn the whole Quran with the intention of doing Nazirah daily in 12 months at Madrasa-tul-Balighān; we have to attend weekly Ijtima' and weekly Madani Muzakarah; we have to develop the Madani environment at our homes by the given 19 Madani pearls of Ameer-e-Ahl-e-Sunnat **دَامَتْ بَرَكَاتُهُمُ الْعَالِيَهُ**.
33. Usually the enthusiasm is very high at the time of starting the travel but some time there is a trouble as well, for instance no rest, excess of fatigue, illness or bad manner of any unwise etc. Therefore, upon their return Zimmahdaran are supposed to work with more enthusiasm. If Allah **عَزَّوَجَلَّ** forbid, they become lazy, then there is a fear that the whole efforts may be in vain. Therefore, treat every Islamic brother well; make apologies; meet them one by one; implore them to forgive you if you have made any mistakes or haven't served them as you should have. If possible, tearfully or by making your face as if you are weeping ask them to forgive you. Request them to travel with Madani Qafilahs and act upon Madani In'amat and to submit the booklet of Madani In'amat every month. Perhaps the thing which was not done by your hard work during the travel **إِنْ شَاءَ اللَّهُ عَزَّوَجَلَّ** can be done during the return journey by two drops of your tears and a moment's sincerity and humbleness. For this purpose, gather in the main/Masjid of the city/area, offer Salah of the return journey and then return to your homes.
34. All the Islamic brothers should try to travel from departure to their return as per schedule.
35. Nigrān and Zimmahdaran from the areas should also come along with those Islamic brothers who come to Global Madani Markaz so that their Madani Tarbiyyat can be done properly. Concerned Rukn-e-Shura will be responsible and answerable for anything concerning them.

Shakhsiat Ijtima:

36. In the month of February 2015, Rukn-e-Shura Haji Abdul Habib Attari will deliver his speech in Shakhsiyāt Ijtima'at in different cities of Pakistan. The Madani Mashwarah of the Islamic brothers, who are highly capable of collecting Madani donations, will also be held.
37. Madani Donations Campaign should be started by the end of Jumadal Ukhra.

Tarbiyyati Ijtima' of Zimmahdaran

38. The 3-day Tarbiyyati Ijtima' of Nigrān and Arakeen-e-Kābinah to Shura and all Zimmahdaran of Dawat-e-Islami will be held in Global Madani Markaz, Faizan-e-Madinah, Bab-ul-Madinah Karachi. Afterwards, the Madani Mashwarah of Markazi Majlis-e-Shura will be held, **إِنْ شَاءَ اللَّهُ عَزَّوَجَلَّ**.

Colourful Madani pearls

39. Fortunate is the one who has been made the means of fulfilling the necessities of people.
40. It is necessary to say the right thing in a correct manner, otherwise it loses its charm.
41. If you are given booklets, books, VCDs, CDs in order to distribute, distribute all of them. No one is allowed to keep these things with them.
42. The buses that are booked for weekly Ijtimā'at, Madani Muzakarahs and other Ijtimā'at, get time fixed with them for return as well.
43.
